

Four Score and Ten Years ago on Anzac Day 1971, Melbourne H3 had the honour of welcoming the Hash House Harriers juggernaut into the Victorian environment. Our 1st run was held at Selby Park, Selby.

To celebrate this momentous occasion you can join us on 25th April at 11.30 for a 12 noon run.

Unfortunately the Yarra Ranges Council have decided to do road works on Lyons Drive, Selby. This means a change of venue, but you can still join us at Belgrave Park Lake, Park Drive, Selby. Belgrave M75 G12

Parking is available, please be perceptive of other park patrons.

\$20.00 gets you a feed and a giveaway. Refreshments can be purchased from our Booze Trailer.

To allow us to be COVID safe, we are required to register all participants, you can do this on line with a direct deposit using the attached registration form. Alternatively you can register and pay on the day, but, to help us for catering purposes please let us know if you will be attending.
